FISCAL MANAGEMENT GOALS/PRIORITY OBJECTIVES

The School Board recognizes that money and money management comprise the foundational support of the whole school program. To make that support as effective as possible the School Board intends:

- A. To encourage advance planning through the best possible budget procedures;
- B. To explore all practical and legal sources of revenues;
- C. To guide the expenditure of funds so as to achieve the greatest educational returns;
- D. To require maximum efficiency in accounting and reporting procedures; and
- E. To maintain a level of per pupil expenditure needed to provide high quality education.

As trustee of local, state and federal funds allocated for use in education, the School Board has the responsibility to protect the funds and to use them in the best interests of students as determined by the School Board.
