SPECIAL USE OF SCHOOL BUSES

Transportation on school buses will be provided by the Winslow School Department for all activities which have been designated by the School Board as school activities. School activities may include but are not limited to:

- A. Educational field trips which are planned by a teacher, approved by the principal and Superintendent, and supervised by school staff, provided that any out of state trip requires prior School Board approval; and
- B. Athletics, music programs or other Board-approved extracurricular or co-curricular activities, provided that any out of state trip requires prior School Board approval.

Participants in any other activity who feel that such activity should be considered an approved school activity for the purpose of securing school bus transportation may petition the School Board through the Superintendent.

The School Board may enter into cooperative transportation agreements with the Town of Winslow to provide transportation of students to and from Winslow parochial schools.

Use of school buses for transportation of community groups or for any other purpose is subject to prior School Board approval.
