**AWARDING OF HIGH SCHOOL DIPLOMAS TO VETERANS OF WORLD WAR II AND THE
KOREAN CONFLICT**

The Committee recognizes that Maine law provides that a secondary school may award a high school diploma to a person who left secondary school prior to graduation to serve in the Armed Forces during World War II or in the Korean Conflict, provided that certain requirements are met.

The Committee authorizes the Superintendent to develop and implement procedures regarding applications for diplomas, including timelines, and for determining whether veterans have met the criteria established by law. The Superintendent may also determine the time and manner in which a veteran's diploma may be presented.
